Students will practice using written English in order to convey their thoughts, opinions, and activities through English.

鉀껽鹿鰔뿜鈔

This class will meet for a total of 22.5 hours for the semester. Through a process-writing approach, students will practice generating, organizing, and editing writing pieces in order to develop their ability to use written English to both inform ideas, and convey their own ideas and professional activities to others. Emphasis will be placed upon clear communication of ideas.
